

# Shut Up And Kiss Me

Bon Jovi

I don't wanna talk about it  
Baby, wanna talk all night  
You're on your feet six days a week  
We're working nights just tryin' to make ends meet

Break our back on the killin' floor  
Another guy's what we're doin' it for  
We got a lot, we don't need more

We're rollin', baby  
Tell me when you'll go  
Rollin', straight on  
Tell me where to go

I don't wanna watch the TV  
Wash the dishes now or pay the bills  
Don't wanna eat, don't need to sleep  
The only real meal that gives me a thrill

Don't need no candles, you're the spark  
Don't need no matches, just a fire in the dark  
We come together, well, that's a good start

Baby, you're crazy  
And I know that you can't hide  
'Cause this earth anywhere  
There up on the other side

Break our back on the killin' floor  
Another guy's what we're doin' it for  
We got a lot, we don't need more

We're rollin', baby  
Tell me when you'll go  
Rollin', straight on  
Tell me where to go

Baby, you're crazy  
And I know that you can't hide  
'Cause this earth anywhere  
There up on the other side
