

# Silent Night

Bon Jovi

**A** **D**  
After the smoke clears and it's down to you and I  
**A** **D**  
When the sun appears and there's nothing left but goodbyes  
**A** **D**  
We'll just turn and walk away... how could we let it end like this  
  
**A** **D**  
Just turn and walk away... should we seal it with a kiss?  
**Bm** **A**  
It's too late... now you're out and on the run  
**Bm** **E**  
Much too late... to held up in love without a gun  
**A** **D**  
Silent night... we hold up our candle light  
**A** **D**  
Silent night.... the night that our love died  
**A** **G**  
No words to say... now we're both to tired to fight  
**Bm** **E**  
So hold me close.... and don't let go  
**A** **D**  
It was all so simple when... you wre to be queen and I'd be your king  
t  
  
**A** **D**  
I guess these dreams got lost... cause baby you're still you and  
I'm still me  
**A** **D**  
Now letting go... it's always the hardest part to fight  
**A** **D**  
When we both know... we're just two more victms of the night  
**Bm** **A**  
It's too late... too late to wonder why  
**Bm** **E**  
Much too late... to save a love that's died  
**A** **D**  
Silent night... we hold up our candle light  
**A** **D**  
Silent night.... the night that our love died  
**A** **G**  
No words to say... now we're both to tired to fight  
**Bm** **E**  
So hold me close.... and don't let go  
**A** **D**  
After the smoke clears and it's down to you and I  
**A** **D**  
When the sun appears and there's nothing left but goodbyes...  
Silent night
