

The More Things Change

Bon Jovi

The More Things Change the more they stay the same
The more things change the more they stay the same

Ah, is it just me or does anybody see
The new improved tomorrow isn't what it used to be
Yesterday keeps comin' 'round, it's just reality
It's the same damn song with a different melody
The market keeps on crashin'

Tattered jeans are back in fashion
'Stead of records, now it's MP3s
I tell you one more time with feeling
Even though this world is reeling
You're still you and I'm still me
I didn't mean to cause a scene
But I guess it's time to roll up our sleeves

The more things change the more they stay the same
The same sunrise, it's just another day
If you hang in long enough they say you're comin' back
Just take a look, we're living proof and baby that's a fact
You know the more things change the more they stay the same
The more things change the more they stay the same

You're either runnin' round in circles or you're runnin' out of time
Everybody somewhere either 12, 3, 6 or 9
The times they are a-changin'
We're here to turn the page
It's the same old story but it's told a different way

The more things change the more they stay the same
The same sunrise, it's just another day
If you hang in long enough they say you're comin' back
Just take a look, we're living proof and baby that's a fact
You know the more things change the more they stay the same
Never and forever just keep comin' back again
Don't hold out for tomorrow or hold onto yesterday

The more things change the more they stay the same
The more things change the more they stay the same
The more things change the more they stay the same

Here comes a na na na na na na na
These days it's the raise the roof instead of sha la la
Here come the rockers, the dancers and the remixed drum machine
This one is for the CEOs and record companies
And if you're waitin' on a happy ending
We're gonna hit the hook one more time

The more things change the more they stay the same
The more things change the more they stay the same
The more things change the more they stay the same
The more things change the more they stay the same

You know the more things change the more they stay the same
The same sunrise, it's just another day
If you hang in long enough they say you're comin' back

Just take a look, we're living proof and baby that's a fact
You know the more things change the more they stay the same
Never and forever just keep comin' back again
Don't hold out for tomorrow or hold onto yesterday
The more things change the more they stay the same

Whoa oh oh oh
Oh oh oh
Oh oh oh oh
