The More Things Change

The More Things Change the more the stay the same The more things change the more the stay the same

Ah, is it just me or does anybody see The new improved tomorrow isn't what it used to be Yesterday keeps comin' 'round, it's just reality It's the same damn song with a different melody The market keeps on crashin'

Tattered jeans are back in fashion 'Stead of records, now it's MP3s I tell you one more time with feeling Even though this world is reeling You're still you and I'm still me I didn't mean to cause a scene But I guess it's time to roll up our sleeves

The more things change the more they stay the same The same sunrise, it's just another day If you hang in long enough they say you're comin' back Just take a look, we're living proof and baby that's a fact You know the more things change the more they stay the same The more things change the more they stay the same

You're either runnin' round in circles or you're runnin' out of time Everybody somewhere either 12, 3, 6 or 9 The times they are a-changin' We're here to turn the page It's the same old story but it's told a different way

The more things change the more they stay the same The same sunrise, it's just another day If you hang in long enough they say you're comin' back Just take a look, we're living proof and baby that's a fact You know the more things change the more they stay the same Never and forever just keep comin' back again Don't hold out for tomorrow or hold onto yesterday

The more things change the more they stay the same The more things change the more they stay the same The more things change the more they stay the same

Here comes a na na na na na na na These days it's the raise the roof instead of sha la la Here come the rockers, the dancers and the remixed drum machine This one is for the CEOs and record companies And if you're waitin' on a happy ending We're gonna hit the hook one more time

The more things change the more they stay the same The more things change the more they stay the same The more things change the more they stay the same The more things change the more they stay the same

You know the more things change the more they stay the same The same sunrise, it's just another day If you hang in long enough they say you're comin' back

Bon Jovi

Just take a look, we're living proof and baby that's a fact You know the more things change the more they stay the same Never and forever just keep comin' back again Don't hold out for tomorrow or hold onto yesterday The more things change the more they stay the same
