I'm hanging in

A

You're holding on

I can't pretend

That nothings changed

Living in the shadows

Of the love we made

A G

Back when we were beautiful

D

Before the world got small

A

Before we knew it all

A G

Back when we were innocent

D

I wonder where it went

Sha la la Sha la la hey Sha la la

Some dreams live

Some will die

But the you and me

Is still alive

Now am I blessed?

Or am I cursed?

Cause the way we are

Aint the way we were

Back when we were beautiful

Before the world got small

Before we knew it all

Back when we were innocent

I wonder where it went

Let's go back and find it

A G D A

The world is cracked

The sky is torn

So much less

Meant so much more

Back when we were beautiful

Before the world got small
Before we knew it all
Back when we were innocent
I wonder where it went
Let's go back and find it

Back when we were beautiful
Back when we were beautiful
Back when we were beautiful
Back when we were beautiful
