## **Disco Fever**

## **Bondage Fairies**

Me and Sue in the summer time playing football everywhere getting tired, have some wine having parties everywhere

We were dancing, with the people We were dancing, disco fever

Sexy Eve in the summer time takes her clothes of everywhere looking hot and feeling fine take her picture everywhere

Kick your shoes off and follow me Susan takes us to the sea having cocktails with a straw the best band I ever saw

We were dancing, with the people We were dancing, disco fever We were dancing, with the people
