

# Repulsive

Bonded By Blood

Obsessive  
Is what you have become  
Can't you see it  
It's to the point your mind is numb  
Repulsive  
Is what you are to me can't you stop  
And see you're bringing me  
Disorder

Disorder gives way to chaos  
You're sickening me  
Your mind is weak  
Your pride is dead and gone  
I can't believe the things you say

It's not just you it's what's in your head  
And how you've been conditioned  
Raised on lies and filled with disgust  
Your intelligence is missing  
It's hatred that is blind  
You'd learn if you would listen  
A victim of circumstance  
His ignorance has blissed him

You're repulsive  
Just stay away and leave me be  
World repulsion  
I can't believe the things you say  
You're repulsive  
Think again before you speak  
World repulsion  
Spreading lies and stupidity  
You're repulsive  
World repulsion  
Spreading lies and stupidity  
You're repulsive  
World repulsion  
You're repulsive  
World repulsion

Oozing with hatred for mankind  
I feel I have crossed the line  
Spreading disgust my anger is a must  
There is no reasoning why  
I can't explain the repulsion you bring  
You are the scum of the earth  
Within my frustration I'm alienated  
You're taking and not giving back

You're repulsive  
Just stay away and leave me be  
World repulsion  
I can't believe the things you say  
You're repulsive  
Think again before you speak  
World repulsion  
Spreading lies and stupidity
