As you can see I took the pill (took the pill), right to the house  
Grab a shot of liquor and pop pop popped it in my mouth  
An' I'm thinking to my self that this might be a waste of my time,  
'cause what if I don't even get high  
Thirty minutes dun came by, I didn't even seem high,  
until I stood up and looked at the ceiling for some reason  
Now I'm tweaking, then I tried to walk but I was SSLLOOWW  
I guess I'm floating in ecstasy (just like the nigga told me)

I fell so realish realish realish, 'cause we floating in ecstasy. (4x)

My name come alive.  
An I'm poking in sumpin oh damn but it ain't no joke  
Cut guards and red beans  
And for them niggaz that follow me around for my mojo  
Feeling so see... 'Cause I'm floating in ecstasy  
(Alright) Ahh, my nigga just call up the homie  
To hook us up on that liquid G  
An if these hoes don't wanna see, they gotta check the spot quickly  
I'm feeling way high, but I'm also feeling way low  
But damn I'm stuck in between.  
Fucking wit broad boys and never get used  
Just help, just throw in a few more.  
Diablos, nigga Flesh Bone so chill  
I'm feeling it hump through my body, feeling hot an exotic  
Feeling knocked out, feeling too sexy for my motherfucking self  
Gotta find my bitch and fuck her ass to death

Whose my nigga that told me the level I started to see the devil  
Nigga was floating in ecstasy

But about thirty more minutes later, nigga was on the couch cracking  
Arms sweaty, man why in the fuck y'all let me do this?  
I'm looking at my homegirl like I wanna, nigga this some new shit  
I realized, nigga took one step an started stumbling  
An I was trying to call my nigga but he couldn't hear me,  
so I guess I'm mumbling  
Fall off into sumpin. But I guess I'm on a mission  
Telling my niggaz that I love 'em now but it ain't nobody listening  
Whistling hanging out the window, need me some indo.  
Till I let go like, me silky fine.ine.ine.  
Flown the expo, knock, knock, knock at the door.  
But nigga was paranoid so I grabbed the gun bucked it at the door  
Ooh-wee, shit happens, my family got me faded  
But I'm running a secret 'cause... 'cause a nigga can't take it.  
Shake it if I can but I'm blending wit the killas  
And I wish E was here to feel pillish

I feel so violent violent fucking wit that ecstasy. Come roll wit me. (4x)

I've been smoking weed for a very long time, why should I change?  
An plus they say that ecstasy shit fucks up ya brain (brain)
