

It's All Real

Bone Thugs-N-Harmony

Krayzie Bone and the bone, with my mighty-mighty warriors
With my mighty-mighty warriors

Cause this is all real, what you see
I said it's all real it's just the thug in me

Nigga just because Krayzie quiet speak less
Don't be mistaking my kindness for weakness
Humble but ready to rumble
My violent side I can't deny
I'm like a Jekyl and Hyde gemini
Look if you see me quiet
then I'm plotting to riot why tell me why tell me why
I'm labeled a menace but I like it
Destroy ya paranoia will make me blow you away but hey
Nigga got to close to me and that ain't how it's supposed to be
Nigga want respect but what do you show me you
Playa hate and anticipate the day that you can see me fall
Better act like yo know I'm rolling with Mo posse up
Do damage and manage to wiggle our way out of handcuffs
As we strut as thugs we must doin our best to obey god violent in these time

and I fell in this fucked up state of mind
Slipped in the dream and I see demons telling me it's time to die
Why me I see some niggas they creeping outside my window
I'm ready to bang bang bang aim the 12 gauge pump let my lead go
Give it up for the bloody murda mo bloody murda mo mo
See a nigga when he go through the window had to put a bigger hole in his so
ul
If he get away running out my backdoor with me sawed-off swinging
Get ready to duck now to the guts buck pap pap pow

I claim my thang to slang
(murda mo murda mo murda mo murda mo murda mo murda mo)

Now I know I done did some dirt in my time
cause the devil was stressing my mind

Bone don't know every day they lie
Turn to realize that everyday I can do it if I only pray
Maintain cause a nigga was lusting
For money had to get it cause a nigga was struggling
I hit him with the Mossberg y'all heard about Mr. Sawed-Off
