We in the last five days of these trials and tribulations And I'm waiting for the Lord oh please don't leave me forsaken Caught up in the doom prepare for Satan We facing a situation while I'm drunk and scared Heavily sedated wonder will I make it to the pearly gates Or will I burn off in that lake now, Could you feel the earthquake shaking the dead awake How many wait it's too late it's over now Niggas had a lack of faith so life ain't straight, if you incapable, Having a little trouble a day wid ah fiend or somethin' Betta plead to bloody Jesus Watch how the majesty control it Don't let it go slow down hold on Now can I get a witness shout Hallelujah, Amen I'm feeling the Holy Ghost makin' moves through ya Smooth, I made it to free your mind to the rhythm I got designed when the world drop dimes This world you'll fine there's no other like my kind Code Murder One, Code Murder One, Code Murder One, Code Murder One Murder them mo (4x)If the world should end today! Fully automatic gunning through it Gunning thangs, red rummed when strumming pain Mo murda, I heard 'em holla holla, clock dollas Swallow me baby cause we balling hollow point tips to the CI Enemies keep rolling, get 'em off that flaunted fluid Making me nauseous cautious these niggas is flossing My Nina Ross tossed out I'm slaucing It's for the auction rapper bop the copper got gospel on 'em Who wanna magnum? Who wanna tag 'em? Bag 'em up ain't no problem, baby (bitch) Smoked out in high school Sleeping the fifth grade selling chicken Gotta get paid we in the kitchen Cooking up grade and baby go on go grym Hold on, motherfucking gun Another fifth took one hood shot she split up Talking bout the get up for everyone ya lit up and hit up So huff and make it settle Code Murder One, Code Murder One, Code Murder One, Code Murder One Murder them mo (2x) Make me push this panic button nigga We moving like the Panthers in the sixties

Make me push this panic button nigga
We moving like the Panthers in the sixties
Khaki suited booted my thugs recruited
You wit me nigga you wit me
Millitant minded perfect timing it
Always on the incline ah shit
Nigga that's down for the grind ah shit

Keeping real niggas rewinding this, Deep in the ghetto in the streets ah Cleveland We call it thieving mind deceiving Hear the reasons for hustling season Bottom line money is power And the power mean muscle Money and guns stacked up to the ceiling Nigga get down for his hustle his hustle hustle Now nigga now what ya gon' do when they come for you Well I'ma tell ya right now what we gon' do Scream M-O-G and start blasting Nigga never did like them boyz in blue No regards for authorities, Wanna dump ah nigga up wid the ferozine Oh you invited to the bloody ass whore scene Know what I mean you betta get wid the team Cause this is the soldiers ready for war nigga, We from way down under nigga been waiting for the day To let off these rounds it's thunder, it's thunder Got my mind made up, and if niggas str8 balling up outta control Just as those hoes nigga rose On ah mission tryin' ta get that dough Separated mine through prose, Open and close just like a case Place to place ya feeling ya safe HB all up in my face, And it just ain't safe it just ain't safe safe I'm knowing they want me to catch it in war Boy boy I seek and destroy any nigga that throw the decoy See me I'm stacked and ripping shit Taking off my shirt and breaking them sweats Tattoos all over my body 7 on the stomach, Skull on my chest, Nine millimetre in my pocket Ready to buck on the crowd, As long as that one little nigga Sagging and bragging and talking loud Talking about he bout it bout it Nigga I got yo whole clik Real niggas don't run they mouth Real niggas make moves and get rich

Mobbing in ah Expedition Thinking of ah proposition Settle my composition Feeling relentless fucking up gun condition Mo murda competition, How many niggas on the frontline Ready for whateva my nigga wid yo tech nine Nigga disrespect mine, How will you lose the chalk For marrow rip through thine spine If you wanna listen to what I say Hey gotta pay intuition, This ain't no free exploit of an exhibit Cause, my niggas, to exquisite I'm so armageddon, just as my Smith & Wesson Here's a nice slug for you And my nitrogen glyc bomb Can land on them newly morgue I watch when they all come stormin' So when my one hit 'em up they fall Let off wid ah little frustration bust my gun Bullets haul

Code Murder One, Code Murder One, Code Murder One, Code Murder One Murder them mo (4x)
