Yeah, yeah, yeah, yeah
(Even though I'm makin moneyyyyy)
{Gotta do what I, do what I, do what I do}
Gotta struggle, gotta hustle, gotta do what I do
(Even though I'm makin moneyyyyy)
{Gotta do what I, do what I do}
Gotta struggle, gotta hustle, gotta do what I do
And I believe, that we must confront the past
in order to capitalize on the future
Because in our present times and turmoils, it is inevitable
So focus, did you hear what I said?
I said focus, on our children
We must, concentrate on education, and pride
Not only mental development, but physical development
So that we can stand united, and kick our enemies ASS! (that's right)
Can I get a witness?
Now time is of the essence, so stand tall, chest out, chin up
Be proud to be a part of this nation of thugs
And remember one thing, that the clock is tickin!
Yeah, yeah, yeah, yeah
(Even though I'm makin moneyyyyy)
{Gotta do what I, do what I, do what I do}
Gotta struggle, gotta hustle, gotta do what I do
(Even though I'm makin moneyyyyy)
{Gotta do what I, do what I do}
Gotta struggle, gotta hustle, gotta do what I do
First off, I wanna know, how many people really believe in the Lord?
Because if you don't, I think you need to start headin for the exit
Because what I'm 'bout to say is just real, it's too real
Like me and my dogs Bone Thugs, you know what I'm sayin?
Hey! Why every time we get mad
I mean when we get mad, why we tear up our own SHIT?
That don't make no damn sense!
We gotta get it together, you know what I'm sayin? Wooo!
I think I'd do anything for my babies cause I love my children
I brought them here, I give them, I feed them, and they mine
And we bringin you the Thugs nation
An organization of nothin but thugs, nothin but THUGS!
We are, we are, the Thug, nation!
Yeah, yeah, yeah, yeah
(Even though I'm makin moneyyyyy)
{Gotta do what I, do what I, do what I do}
Gotta struggle, gotta hustle, gotta do what I do
(Even though I'm makin moneyyyyy)
{Gotta do what I, do what I do}
Gotta struggle, gotta hustle, gotta do what I do
