

Dr. Destroyer

Bones Brigade

someone diagnose me
i fall asleep in misery
dr. can you tell me what's going on?
i can't keep up with all my thoughts
i'm deep inside my crooked mind and i'm so lost
dr. did i do something wrong?
my eyes are tired, head is wired
i've been fighting my demons for far too long

pills prescribed to keep me awake
dr. prescribed me a headache
dr. gave me a big mistake
gave me thoughts that i can't shake

dr. destroyer, i'm hooked on you
now i've filled up my entire throat
each pill a different reason that i wanna choke
dr. i think my appointments are through
i savour the taste of sweet escape
as i loosen my grip on a point of view

pills prescribed to keep me awake
dr. prescribed me a headache
dr. gave me a big mistake
gave me thoughts that i can't shake

i fall asleep, so peacefully
i've been cured of my disease
medical technology is evolution's enemy
