

## Bikinis

BONES UK

Skinhead girls in bikinis  
Grinding to the sound of Puccini  
Beautiful boys in the bathroom  
Eye lined, guyliner, perfume  
Is this not what you pictured?  
We can make your soul a little richer  
Look at them babies burning  
Oh, look, wait, you're fucking learning

We can go low, lower than low  
We can go high, we can go all day and all night  
We can be the victim, we can be the villain  
We can be slain or we can be killin'  
If you wanna know, come and take a look see  
It's the brand new sexy
