BONES UK

I'm hungry
I haven't eaten in days
'Cause the sight of your body means
I've only got the taste for you

It kills me
My black withers on my face
Cause the bang, bang, banging of your bed
Made my head lose face

Let's
Get fat
Get fat
Get fat on
Let's
Get fat
Get fat
Get fat on
Let's
Get fat
Get fat
Get fat on
Let's
Get fat
Let's all just get fat

Don't tell me
To save my fingers for your rings
Cause your un-happy meals are being found
Inside everything

Let's
Get fat
Get fat
Get fat on
Let's
Get fat
Get fat
Get fat on
Let's
Get fat
Get fat
Get fat on
Let's
Get fat
