

Knee Deep

BONES UK

I envy the shallow
Paddling about in the safety of the knee deep water
Never out of my depth
Never holding my breath
So shallow

Oh, I wish I were a shallow one
Lying on my back in the comfort of the knee deep water
Never needing to go deep
Not a care for what's beneath
So shallow

Easy days in the shallows
Easy days in the shallows
Easy days in the shallows
Easy fucking days

I don't wanna dive this deep
I can see what's underneath
I don't wanna be this deep
Oh, I wish I was shallow
I don't wanna live down here
Everything is way too clear
I don't wanna be this deep
Oh, I wish I was shallow

I just want be a shallow one
Splashing my friends in the comfort of the day
Warmed water
Never looking for more
Staying close to the shore
So shallow

Easy days in the shallows
Easy days in the shallows
Easy days in the shallows
Easy days

I don't wanna be this deep
I can see what's underneath
I don't wanna dive this deep
Oh, I wish I was shallow
I don't wanna live down here
Everything is way too clear
I don't wanna be this deep
Oh, I wish I was shallow

Oh, I wish I was shallow
Oh, I wish I was shallow
I just wish I was shallow
Oh, how I wish!

La da da da da
La da da da da
La da da da da
La da da da da

Oh, I wish I was shallow
Oh, I wish I was shallow
Oh, I wish I was shallow
How I wish
