

Ride

BONES UK

Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Oh my god, that ride is sick
But what a shame you're driving it

Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Oh my god, that ride is sick
But what a shame you're driving it

Are you afraid of the
Poor sticking like a stain to ya
Beauty's in the brain brother
Yeah beauty's in the brain
Beauty's in the brain
Sucking on a bottle of beast
Ripping holes in your Gucci jeans
You wanna buy a bit of Jimmy Dean but
Beauty's in the brain
Beauty's in the brain

Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Oh my god, that ride is sick
But what a shame you're driving it

So when you gonna soak it up
You ain't nothing but a regular
Think your money make the girls like ya
It's not the size of the machine, it's what you do with the beep beep

So when you gonna soak it up
You can't buy cool, give up
Think your money make the boys like ya
It's not the size of the ride, it's the rhythm that you beep beep

Slip back your skin, I want to see
I think about it all the time
If inside you are just like me
I think about it all the time
Pull back your ribs, I've got to know
I think about it all the time
The finest diamond heart I know
But can your money buy, can your money buy guts?

Why does your car need to be that big?
Is it to make up for the size of your tiny dick?

Why does your car need to be that big?
Is it to make up for the size of your tiny-
Oh my god, that ride is sick
But what a shame you're driving it

Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Why does your car need to be that big?
Is it to make up for the size of your tiny dick?
Oh my god, that ride is sick
But what a shame you're driving it

So when you gonna soak it up
You can't buy cool, give up
You can't buy punk, give up
With all of your cash, well you can't buy cool, bruv

So when you gonna soak it up
You can't buy cool, give up
You can't buy punk, give up
With all of your cash, well you can't buy cool, bruv
