Boney M

But you got to feel it and you got to get up  
And move your but, feel the music and you got to get up  
And move your but, you got to feel it and you got to get up  
And move your but, feel the music and you got to get up  
And move your but, you got to feel it and you got to get up  
And move your but, feel the music and you got to get up  
And move your but, you got to feel it and you got to get up  
And move your but, feel the music and you got to get up

But you got to feel it and you got to get up  
And move your but, feel the music and you got to get up

Ain't our stories  
Na-na-na-na-na  
Na-na-na-na (oh, oh)  
Na-na-na (I thought)

But you got to feel it and you got to get up  
And move your but, feel the music and you got to get up  
Don't wanna hear what you say 'cause ain't got the time  
All I wanna do is dance 'cause I'm feeling so fine  
I got the rhythm and the sound and I'm far the ????  
Now I'm really gettin' down to the music, a big time

Don't give a damn who is who or they all have done  
If you wanna join the party you can come and dance along  
They can give ah-ah  
Don't wanna hear it  
Big stories  
We can talk, ah-ah  
Maybe later

But now I'm someone else 'cause babe I'm in a trance

If you came to this place to communicate  
Gotta shake your hip so now your stories must play
