

Breaking Out

Bonfire

What happened to yesterday
The feelings the same as it is today
No one cares and no one wins
The fools show up and show their grins

I gotta get out of this place
Clear my head and I need space
Somewhere to run, somewhere to go
Tired of waiting, let's get on with the show

I can't take it anymore
No time to settle the score
If you break the glass
You're gonna bleed
I can't take it
It's not for me

Breaking out
I gotta get away
Breaking out
Tonight
Breaking out
I gotta get away
Breaking out
Tonight

Everything I thought was good
Never turned out like I thought it would
The lights never really burned that bright
I'm too tired to put up a fight

I can't take it anymore
There's no time to settle the score
If you break the glass your gonna bleed
I can't take it it's not for me

Breaking out
I gotta get away
Breaking out
Tonight
Breaking out
I gotta get away
Breaking out
Tonight

Tomorrow's not like yesterday
It's never [?] before

Breaking out
I gotta get away
Breaking out
Tonight
Breaking out
I gotta get away
Breaking out
Tonight

Breaking out
I gotta get away
Breaking out
Tonight

Breaking out...
