

## Champion

Bonfire

CHAMIPON

I gotta tell you a story  
about a man who split the night  
now he's comin' back to win the fight - alright  
Some people hate him  
but a winner never quits  
when he's rollin' he's a one man blitz - look out  
High explosive - like a keg of dynamite  
his voice is roaring through the night

CHORUS

Here I stand - on my feet again  
Don't you know that I'm a champion  
Here I go - so come on Rock'n'Roll  
I'm gonna show you once again  
I'm a champion  
People say he's crazy  
and he's up around the bend  
that's what it takes to be champion  
no guts - no glory always  
shoot your hottest shot  
you gotta strike it while you're hot - red hot  
One of a kind - that the world has never seen  
still movin' like he's seventeen

CHORUS
