

Comin' Home

Bonfire

Time moves on, turning days to nights
And it's time always wins the fight
So I will write these words to you
All the things I never got to say

All those years that slipped away
Rainbows and colors all shrouded in grays
Even through miles, hearts still found their way
We're miles apart, but not in my heart

And the memories I've lost
With no reason why
The heartache I've caused
I'll never say goodbye

And I want you to know
That my hearts always home
Like a bird on the wing
Wherever I may roam

Now as the years have gone
And I wish that the rain falls down
I feel so left alone
Without you, my heart turns to stone

Home is where the heart is
But your heart is not at home
You never got to see
How much I've really grown

So much has been broken
There are pieces all around
Daddy, please come home
You know I missed you so

And the memories I've lost
With no reason why
The heartache I've caused
I'll never say goodbye

And I want you to know
That my hearts always home
Like a bird on the wing
Wherever I may roam

Home is where the heart is
But your heart is not at home
You never got to see
How much I've really grown

So much has been broken
There are pieces all around
Daddy, please come home
You know I missed you so

Wasted years
And shattered tears

Just close your eyes
And soon, I'll be home

No more trying to run
Or calls on the phone
I'm comin' home
I'm comin' home

And the memories I've lost
With no reason why
The heartache I've caused
I'll never say goodbye

And I want you to know
That my hearts always home
Like a bird on the wing
Wherever I may roam
