

Daytona Nights

Bonfire

Once a year - you don't get your kicks
riding down Route 66
Way down south - the Dixie way
is a HOG wild place to stay
Get on your mean machine - free and easy
Ride the American Dream
CHORUS
Daytona nights - good time vibration
Daytona nights - Main Street sensation
Welcome bikers - wherever you're from
(you'll) have a blast - and feel like home
Hi Cindy - little Harley Queen
(it's) good to see ya - how have you been
It's gotta blow your mind - Easy Rider
We're all born to be wild
