

Shake Down

Bonfire

Heading down the freeway, just outside L. A. I was coming back
with a friend of mine We'd been cruising 'round all day, yeah y
eah yeah

We were just getting started to move when the lights came down
from behind They never told us what we had done but we're lying
on the ground 'What about our rights?' I said, he said 'Not he
re in this town'

Chorus: Shake down - with the gods that show no mercy Shake dow
n - somebody called the devil ... and he's got the gun

People just kept on driving like it happens every day Sweat and
blood running down my face But there was nothing I could say,
no no no

We couldn't move, we were scared to death but we were doing wha
t we could Going down somebody said 'Another night in Hollywood
,

Chorus (2)

I never knew crime was so exciting TV cops and movie stars Don'
t you think it's gone so far?

Chorus

Shake down (3)

(Spoken): Shake you down
