

## Stand or Fall

Bonfire

The youth is ours as peace finds a way  
Falling like rain on a cold winter's day  
All that's good is gone, and nothing left to hold  
Generals make their plans, where life is born and sold  
Pain will fall the innocent  
Who will hear their cries?

Stand or fall  
The powers here are sold  
Stand or fall  
We learn to behold

There comes a time, when you must decide  
To turn the page, or close the book  
Are you gonna live to die, or die so you can live  
At times when praying's gone, give it all you've got to give  
Everyone is helpless  
No one heeds their cries

Stand or fall  
The powers here are sold  
Stand or fall  
We learn to behold

Stand or fall  
The powers here are sold  
Stand or fall  
We learn to behold

Stand or fall  
The powers here are sold  
Stand or fall  
We learn to behold
