

The Devil Made Me Do It

Bonfire

When the full moon is rising
The invisible wars commence
The Devil, he's advising
And all your sins make sense
The works of the flesh
Are the tears in the soul
That only God can see

Oh, oh-whoa, the Devil made me do it
Oh, oh-whoa, I cannot tell a lie
Oh, oh-whoa, the Devil made me do it
Oh, oh-whoa, the Devil made me do it

Burning hot and heavy
You were lost and led away
This is what you tell yourself
To make your conscience stay
You can run or you can fight
The choice is up to you
The siren's gonna sing her song
What you gonna do?

Oh, oh-whoa, the Devil made me do it
Oh, oh-whoa, I cannot tell a lie
Oh, oh-whoa, the Devil made me do it
Oh, oh-whoa

Oh, oh-whoa, the Devil made me do it
Oh, oh-whoa, I cannot tell a lie
Oh, oh-whoa, the Devil made me do it
Oh, oh-whoa, the Devil...
