

# Try Me Out

BONNIE PINK

My birthday is just round the corner  
And my girlfriends asked me what I want  
Only thing I can think of is your time  
You're the guy at the coffee shop  
You're the guy with a puppy in hand  
I've seen you everywhere  
Almost strange that I'm not in your arms yet

Try me out, try try me out  
Let me show you what I've got  
Oh-oh-oh-oh  
Try me out, try try me out  
Hey, why don't we just give it a try

My photos in chronological order  
Kinda sick of looking at  
Only thing I won't be sick of is your face  
I'm the girl at the swimming pool  
I'm the girl with a butterfly tattoo  
You've seen me everywhere  
Almost strange that you don't know my name yet

Can you handle a granola girl like me ?  
What do you dance to ?  
What gives you a kick ?  
Do you find it fun to chill in bed all day ?  
Tell me if you ever pictured me  
Since you just said "Bless you" to me now

Try me out, try try me out  
Let's get to know each other tonight  
Oh-oh-oh-oh  
Try me out, try try me out  
Hey, why don't we just give it a try  
Oh-oh

Try me out, try try me out  
Let me show you what I've got  
Oh-oh-oh-oh  
Try me out, try try me out  
Hey, why don't we just give it a try

Am I any different from other girls ?  
What's the chance of me winning you ?  
Cinderella is allowed to dream all day  
Hope you will be there  
When I blow off candle  
I'll save the last song, the last dance

Try me out, try try me out  
Let me show you what I've got  
Oh-oh-oh-oh  
Try me out, try try me out  
Hey, why don't we just give it a try

Try me out, try try me out  
Let's get to know each other tonight

Oh-oh-oh-oh  
Try me out, try try me out  
Hey, why don't we just give it a try  
Oh-oh Oh-oh  
Try me out, try try me out  
Try me out, try try me out
