

# I Came To Hear The Music

Bonnie 'Prince' Billy

I came to hear the music, I came to hear the sound  
The music, God knows it brings me down  
A long, long road from now to then  
I know your song, sing it again

'Cause there's so many things I don't believe I understand  
How the days turn into weeks, turn into months  
The year's become a moment in the ever changing sand  
Did God make time to keep it all from happening at once? All at  
once

I came to love the music before I came to be  
To know the music before it came to me  
A long, long time ago, I don't know when  
We sang a song along with the wind

And there's so many things I don't believe I'll understand  
Why the days turn into weeks, turn into months?  
And the year's become a moment in the ever changing sand  
Yes, God made time to keep it all from happening at once, all a  
t once

I came to be the music
