

New Partner

Bonnie 'Prince' Billy

There's a black tinted sunset with the prettiest of
skies
Lay back, lay back, rest your head on my thighs
There's some awful action that just breathes from my
hand
Just breaths from a deed so exquisitely grand
And you are always on my mind
You are always on my mind
You are always on my mind
You are always on my mind

Well, I would not have moved if I knew you were here
It's some special action with motives unclear
Now you'll haunt me, you'll haunt me till I've paid for
what I've done
It's a payment which precludes the having of fun
And you are always on my mind
You are always on my mind
And you are always on my mind
And you are always on my mind

But oh, oh, I've got a new partner riding with me
Yeah, I've got a new partner now

Now the sun is fading faster, we're ready to go
There's a skirt in the bedroom that's pleasantly low
And the loons on the moor, oh, the fish in the flow
And my friends, my friends they still whisper "hello"
We know what we know, it's a hard swath to mow
When you think like a hermit you forget what you know
But you are always on my mind
You are always on my mind
And you are always on my mind
You are always on my mind

Yeah, oh, oh, I've got a new partner riding with me
Yeah, I've got a new partner riding with me
Yeah, I've got a new partner now
