

## You Will Miss Me When I Burn

Bonnie 'Prince' Billy

When you have no one  
No one can hurt you  
When you have no one  
No one can hurt you

In the corners there is light  
That is good for you  
And behind you, I have warned you  
There are awful things  
Will you miss me when I burn?  
And will you eye me with a longing?  
It is longing that I feel  
To be missed for, to be real

When you have no one  
No one can hurt you  
When you have no one  
No one can hurt you

Will you miss me when I burn?  
And will you close the others' eyes?  
It would be such a favor  
If you would blind them  
There is absence, there is lack  
There are wolves here abound  
You will miss me  
When I turn around

When you have no one  
No one can hurt you  
When you have no one  
No one can hurt you  
When you have no one  
No one can hurt you  
When you have no one  
No one can hurt you
