

## Part Of Me

Bonny Doon

Part of me is a stranger  
And part of me is a friend

Part of me is an actor  
And part of me can't pretend

Try to see the other side  
And keep an open mind

Appreciate the harder times  
To know what it feels like

Part of me won't surrender  
And part of me needs to change

Part of me is a tall tree  
And part of me has no age

Try to see the other side  
And keep an open mind

Appreciate the harder times  
To know what it feels like
