

Roxanne

Bonny Doon

Hey Roxanne
Make me laugh again
Let's get high again, again
Roxanne

Yeah it's true
I got a bad habit or two
I know it's not anything new
Roxanne

Hey Roxanne
They were so hard on you
I never knew what to do
To help you out, Roxanne

Yeah it's true
Roxanne, we had a time or two
I thought I'd still talk to you
But we're strangers in this world, Roxanne

Hey Roxanne
Hey Roxanne
Hey Roxanne
Make me laugh again
Make me laugh again
Make me laugh again
