

(You Can't Hide)

Bonny Doon

You can't hide from my love
You can't hide from my love
You know you've got someone to rely on
Someone to cry on
Is that enough?

You're right, I'm never on time
You're right, yeah I gotta grow up
I thought I had money in the bank
But I don't, I got less than I think

You can't hide from my love
You can't hide from my love
You can't hide from my love
You can't hide from my love
