

# Keep Me On Your Mind

Bonny Light Horseman

Old friend the time we spent is comin' to an end  
And it's all I'm askin' of ya till we meet again

Keep me on your mind  
Keep me on your mind  
You keep me on your mind  
I'm keepin' you on mine

Yes I know your ship is sailin' in the morning light  
And I never could deprive you of your heart's delight

Keep me on your mind  
Keep me on your mind  
You keep me on your mind  
I'm keepin' you on mine

Yes and when you are a traveler in the whistlin' wind  
And it's in somebody else's arms you're shelterin'

Keep me on your mind  
Keep me on your mind  
You keep me on your mind  
I'm keepin' you on mine

Keep me on your mind  
Keep me on your mind  
You keep me on your mind  
I'm keepin' you on mine

Keep me on your mind  
Will you find me in the lines upon an old friend's face?  
Keep me on your mind  
Will you listen for me closely when the music plays?  
You keep me on your mind  
You know there's a place inside me that you always dwell  
I'm keepin' you on mine  
Part of me that aches for you and always will

Keep me on your mind  
Keep me on your mind  
You keep me on your mind  
I'm keepin' you on mine  
Keep me on your mind  
I'm keepin' you on mine
