

## Walk in the Sky

Bonobo

They walk in the sky  
So near and so high  
They're stopping for none  
And when the day's done  
They agree that the sea  
Is the best place to be  
Wondrously free  
They live happily

They know from the past  
Life simply doesn't last  
So they live for today  
For tomorrow they may  
Not be able to walk in the skies

Sun slips into horizon  
Moon reaches for the stars  
Music is the healer  
No matter who you are  
No matter who you are...

They walk in the sky  
So near and so high  
They're stopping for none  
And when the day's done  
They agree that the sea  
Is the best place to be  
Wondrously free  
They live happily

They know from the past  
Life simply doesn't last  
So they live for today  
For tomorrow they may  
Not be able to walk in the skies

Sun slips into horizon  
Moon reaches for the stars  
Music is the healer  
No matter who you are  
No matter who you are...

Sun slips into horizon  
Moon reaches for the stars  
Music is the healer  
No matter who you are  
No matter who you are...
