

# Brooklyn

Boo Seeka

Oh, Brooklyn  
Will it ever last?  
Will it ever wander  
Outside the hourglass?  
I've been living on the temple  
Maybe it'll help me be  
Wait a little longer  
The answers are haunting me

They say time always heals  
But time doesn't heal  
Without you (Without you)  
I know how it feels  
That nothing feels real  
Without you (Without you)

Welcome to the world  
Being one who won  
I'll go on  
I'll go on  
Sinking into war  
Will it ever be done  
I'll go on  
I'll go on

I don't know what it is  
Or how long we're waiting for  
It's their conclusion  
To all our metaphors  
Are we running on a miracle  
Guess we'll have to wait and see  
Lost in the illusion  
The answers are haunting me

Welcome to the world  
Being one who won  
I'll go on  
I'll go on  
Sinking into war  
Will it ever be done  
I'll go on  
I'll go on

Welcome to the world  
Being one who won  
I'll go on  
I'll go on

Admit that I'll go on  
Oh, yeah, now I go on  
You vision I'll go on the right  
Commit that I'll go on  
Oh, yeah, now I go on  
You reason I'll go on the right

'Cause they say time always heals  
But time doesn't heal

Without you (Without you)

Welcome to the world  
Being one who won  
I'll go on  
I'll go on  
Sinking into war  
Will it ever be done  
I'll go on  
I'll go on

Welcome to the world  
I'll go on  
I'll go on
