

Nothing

Boo Seeka

Only
Dreamers have so far to come down
Where will I be going to now?
There's nothing in for me to had
Going inside

I know
That I will be on my way
There's nothing in for me to say
'Cause I'm the one that goes inside
Nothing to hide

Nothing, nothing, nothing
Will ever hold me
Hold me back
Hold me down
Make me miss it again
Again

Who am I to say?
The reason I am spinning around
Is somewhere between here and now
I never wanna fall behind
Inside my mind

Nothing, nothing, nothing
Will ever hold me
Hold me back
Hold me down
Make me miss it again
Again

I don't wanna hold it
I don't wanna hold it now
Spinning around
I don't wanna hold it
I don't wanna hold it now
Spinning around

Nothing, nothing, nothing
Will ever hold me
Hold me now

Hold me now
Make me miss it again
I've got something to say
I've got something to say
Hold me now
Make me miss it again
Again
