We are on some new shit
Smokin' on that seaweed
Higher than the moon, bitch
You stars cannot see we

We some guapy, guapy, guapper guappers
Copy, copy motherf*cker
Wait! Don't you baby me
Don't goo-goo, post a goo-goo gaga
Gaga goo-go post a mail
I'm surfin' thru my Yahoo mail
I ain't on that gang tip
But I'm damu gale
Shoutout to the females!
We be gettin' females
She said all yo' niggas broke
Pockets on e-mail
That's some spam shit
And y'all be goin' ham bitch
p*ssy ass motherf*ckers
Y'all be on that pam shit
Ridin' to that pocket popper
Sippin' on that swagger water
"Toujours" got me mile high, smokin' on that "Colorado"
Jesus Pieces, keep these quarter pieces on my meter
They scared to feature post'em when its Philly that murder feature
I see hoes and the cops see low
Mani leather with a oxy flow
Poppy glow with a copy flow
And papi glow, you got me, bro?
Swagger on prime time, watch me bring that quarterback
And I'm comin' for that sack
Little Haiti warrants that
