The Racist

Boogie Down Productions

I've been taught to respect my elders and behave Even if when they were young they sold slaves Truth and understandin' is what I crave In the land of the thief home of the slave

Turn your page to a brief demonstration 'Cause now in '90 it's strictly information I'm givin' Teachin' on a regular basis Today's lecture is about The Racist

We're not out to exaggerate or diss him
But show the symptoms and facts of racism
Understand The Racist ain't equal
There's about five different types of racist people

First of the five different types of cases Is the individual brought up racist Here you have young men and women Brought up in the Great White Way opinion

This opinion introduced by the parent To the civilized becomes transparent The civilized man could look through the faces Make the analysis and see The Racist

Number two case which y'all must hear Is the individual racist out of fear Here you have people that fear the African And conjure up new ways of trappin' him

Number three is the unconscious racist
Not knowin' they're racist they invade your spaces
They say, "I'm not a racist, I'm not a bigot"
Yet they allow it to go on and won't admit it

Number four is the money racist
The one that used the topics of sheer economics
They say, "Owning a business isn't for the black man
He don't want that", yet they went and took his land

Damn, that's like a rock in a hard place You don't have your land yet this ain't your space America was built by every other race Except the European that runs this place

What a waste, America's doomed To be overthrown by the righteous real soon But last but not least racial prejudice Is the black man speakin' out of ignorance

Whitey this and Ching-Chow that Is not how the intelligent man acts You can't blame the whole white race For slavery, 'cause this ain't the case

A large sum of white people died with black Tryin' hard to fight racial attacks The media wants you to think that no whites Really fought and died for Civil Rights

But once we have a true sense of history
You'll see this too as a mystery
If black and white didn't argue the most
They could clearly see the government's screwin' 'em both.
