

World Peace

Boogie Down Productions

World peace or world talk?!

Yeah

One two three four!

If we really want world peace
And we want it right now
We must make up our minds to take it
Right now!

If we really want world peace
And we want it right now
Right now!

We must make up our minds to take it

Take it right now
Don't hesitate! (world peace)
You want world peace? (world peace) (peace take it)
Or world talk?

(World peace)
(World peace)
(World peace)

Yo, a lot of people are under the assumption
That peace, is soft or somethin'
We must begin to reprogram our thought
From, how we were taught
Back in school, and our tv screens
Strength, is always mean
Love, is always soft
And peace is too peaceful
When all are equal
Sit back, and read the papers
About the murderers, thieves, and rapists
We depend on police for justice
But when do we say, enough is enough
Right now, and call their bluff
It's not a matter of frontin' like you're tough
It's a matter of takin' yours
And livin' universal laws
'Cause those laws, cannot be bribed
Nor changed, or paid on the side
You must come correct and walk straight
More love, less and less hate
When you walk, walk with authority
Tell the negative people, don't bother me
Move your face away, I ain't with it
In a minute, I'm gonna hit it!

If we really want world peace
And we want it right now
We must make up our minds to take it
Right now!
If we really want world peace
World peace
And we want it right now
Or world talk

We must make up our minds to take it

Break it down!

Take it, yeah!

World peace

Yeah come in.

Crash, smash, don't ask

When the negative disrupts the class

How much longer? get stronger

The battle is getting longer

World, peace, or world talk

Do we run? or do we walk? (charge)

If you want world peace, take it

'Cause a lot of our leaders fake it (fraud)

It's similar to Armageddon

When the positive people stop lettin'

The negative, control, how we live

Listen to the music I give!

If we really want world peace

And we want it right now

We must make up our minds to take it

Take it!

If we really want world peace

And we want it right now

World peace (right now!) or world talk?

We must make up our minds to take it

Take it!

If we really want world peace

And we want it right now

World peace!

We must make up our minds to take it

Right now!

If we really want world peace

And we want it right now

Come in now

We must make up our minds to take it

World peace or world talk?!

If we really want world peace

Yes I do

And we want it right now

When can I get it?

We must make up our minds to take it

Come in!

If we really want world peace

That's it

And we want it right now

Right now

We must make up our minds to take it

I want it now!

If we really want world peace

I want it right now!

And we want it right now

We need it right now!

We must make up our minds to take it

No talk world peace!

If we really want world peace

Peace!
