I'm the one that's big dawg  
All speak is big talk

Young nigga on the come up  
Thought that I was on  
Hold up wait for summer  
Weezy F, baby I'm number one stunna

Rain muthafucka  
Grab an umbrella  
You ain't heard about me  
But the name rings thunder  
I'm going all in bitch, started last summer  
Guess it's only right I coach the team to Coachella  
Got money I'm stacking, done with all the arguing  
I don't speak numbers, let Rebs do the bargaining  
Fuck all of the stats that you averaging  
I ball hard, I hardly miss  
Came a long for some Africans  
Still tryna cash a cheque from UNICEF  
See me, I ain't new to this, new to this  
I'm that lil' nigga, but to you that's big homie  
They don't take shots, I had to pull out the goalie  
Now days I'm on, I made it hard to ignore me  
Bitches all adore me, mentality like Kobe  
All my young soldiers salute like I'm Kony  
Guess I'm bad guy in the end of the story

Made it through the thunderstorms  
I don't care about the rain  
Cuz shit, I'm used to being poor  
Even days when I was sore  
Said fuck it let it run its course  
You should be afraid, cuz I ain't even hit my final form  
Even hit me, oh shit  
Fishore, what you on my dick for?  
You call me unannounced, I gotta hit you with the ignore  
Gotta learn to be fearless, so I dunno what a limit is  
Tapping into the spirits, so now the powers unlimited uh  
Please don't tell me about no shit that ain't relevant uh  
As far as pressure, that's when I'm right in my element uh

They sell you tickets from all these stars that I wrestle with  
Gotta know ain't no settling uh  
If you ain't guess, bitch Imma, bitch Imma  
Yeah, yeah, bitch I'm a big dawg  
Had to use my claws to scratch the surface  
Big fog, had to clear it all to see my purpose uh  
Bitch no recording while you around me makes me nervous  
You dunno know that I got enemies that's lurking  
Either way bitch

Talking to pigs, they some bacon  
Speaking of the pigs, fuck yo reconciliation  
I don't got the time for the hands to get shaking  
Mhm, look that's a closed case  
Shit's a marathon, it's not a race  
And she get jiggy to the bass  
Thought she was Jamaican dawg the way she moves her waist  
I hit a home-run, nigga fuck at first base  
And she was saying it's a hot girl summer  
Took her best friend from her  
What shame, that's a bummer
