

## Bitter Raps

Boogie

Yo it's a thin line between opinions and bitterness my nigga  
Choose wisely, ayo this thirsty shit could be a real deadly thing bruh

Don't be the next victim of thirst 48  
Unless it's too late, I think it is

Man I'm a witness

I hate when niggas get to flexing just to show off for some bitches  
But still ain't got none, you smoke 'em out just for the kisses  
Always asking for a shotgun

You need to kill that

I know I always say I'm numb so you should know that we don't feel that

No we don't feel that but we ain't on the same thing

No we ain't on the same thing, so what you saying?

I hate when niggas get grown up and outta nowhere get to bangin'  
Like where you hanging?

I wonder if them niggas know you at the place that you be claiming (p  
rolly not)

Or you just acting

And most of you niggas is my sons shit I should claim you on my taxes  
It's more than rapping

But we ain't on the same thing, no we ain't on the same thing

I love ya'll bitches twerk videos though

Just ya'll ego I hate sometimes

And you niggas really gotta stop doing these gay ass poses

All over the social tryna be models

I don't know if niggas is models, rappers, or what

The fuck is going on breh?

Somebody help me

I hate when niggas roll up weak blunts just so they can take a selfie  
Got me hot though

I hate when niggas pop a pill and start to thinking that they macho  
Like he a savage

I hate when niggas get to flexing just to show off for some ratchets  
Oh shit, I said that

I guess I'm on the same thing

I'm prolly on the same thing

Go 'head and try me

I hate how every LA rapper try to make a song like YG  
Like be creative

I hate when bitches call me bro when I've already seen them naked  
We ain't related, damn man I hate it

My most honest opinion, I feel like all you niggas wack  
Take this weed and roll it up, up in these bitter raps  
I'm killing ya'll
