

# Just Might

## Boogie

Said I wasn't gon' slide in no more DMs this year  
I just might, I just might, I just might

I just might take your wifey for the night, change her life  
That ain't right, I just might  
I just might fuck your wifey out of spite, give her back, that ain't right,  
I just might  
I just might take your wifey for the night, change her life  
That ain't right, I just might  
I just might fuck your wifey out of spite, give her back, that ain't right

Woah, woah  
When you started chasing these hoes that's when I seen your world end, uh  
From now on I can't beef with you niggas keep talking I'm fucking your girlf  
riend  
New year, new boogie, old dog, new pussy  
Here go something I don't know  
How niggas can complain about corruption, police and the streets be the main  
ones cuffing every hoe  
Got this bitch go to Yale she correct all my slang and make sure I speak goo  
d  
My bitch out in Watts get them state benefits on the first of the month she  
make sure I eat good  
Fuck is my substance? Fuck is my substance?  
It got lost at the function I used to be grounded  
Now I got this shit jumping yea I got this shit jumping

I just might take your wifey for the night, change her life  
That ain't right, I just might  
I just might fuck your wifey out of spite, give her back, that ain't right,  
I just might  
I just might take your wifey for the night, change her life  
That ain't right, I just might  
I just might fuck your wifey out of spite, give her back, that ain't right

Woah, woah  
When you started chasing these hoes that's when I seen your world end  
You know she for the world and, yeah  
Still gon make that your girlfriend  
Yeah you gon try to, you gon' tell her you gon slide through  
Only thing we arrive to  
Is all them heart eyes and comments you weird niggas do be the main thing sh  
e never gon' reply to  
Woah, you been slipping all day, turn my feelings off  
Started killing off I been living all day  
Philli yeah she thick I'm finna come play  
I know these chicks did me foul  
I never said life was fair right now I think I'm the man  
I smell revenge in the air  
I just might

I just might take your wifey for the night, change her life  
That ain't right, I just might  
I just might fuck your wifey out of spite give her back that ain't right, I  
just might  
I just might take your wifey for the night, change her life  
That ain't right, I just might

I just might fuck your wifey out of spite give her back that ain't right
