

# Man Down

Boogie

Pussy nigga put your hand down  
Oh, oh yeah you thinking that we friends now  
Like I'm gon' pretend now  
Thinking that he in now  
Shots fired, man down  
Oh yeah she thinking that we friends now  
Oh, yeah she see that I got Benz now  
Think I'm gon' pretend now?  
Thinkin' that she in now  
Shots fired, man down

Got suburbs for the mission  
Think he fly, bet the turbulence will hit him  
Spent half the day up in the studio  
You know I spent the other half curving all these bitches man  
Home run dirty on them  
They ain't worried 'bout they will, but I am I go Fergie on 'em  
Look how I'm swerving on 'em  
I don't see no purpose on 'em  
I see he stressed out, he walking with them worries on him  
Poor nigga  
Man fuck it though  
I bet you know that she a hoe and you still cuff it though  
I bet you know that he a snake and you still trust it though  
But that ain't really what I'm coming for  
I had to let 'em know  
It's poor nigga, man fuck it though

Pussy nigga put your hand down  
Oh, oh yeah you thinking that we friends now  
Like I'm gon' pretend now  
Thinking that he in now  
Shots fired, man down (man down, man down)  
Oh yeah she thinking that we friends now  
Oh, yeah she see that I got Benz now  
Think I'm gon' pretend now?  
Thinkin' that she in now  
Shots fired

Ride on 'em, put the fire on 'em (That's dark)  
I tried to shed some light on 'em  
I done walked through your aisle, I see mold on your tile  
I see least in your truth, I see hoes in your smile  
I done peeped through your drive, I done looked at your file  
So please won't you take that booking info out your bio (Whoo)  
They think it's vital to go viral  
Like why I'm living right though if all these niggas syphals  
Oh man, it's real life you should try that shit out  
Set the bar, I bet I buy that shit out  
Damn, I see that fake shit is what you been 'bout  
Took a while for me to find that shit out  
I'm like oh man fuck it though (Oh man)
