**Book Of Love** 

In my room soft and warm curtains drawn no lights on Eye of blue I love blue words that say I love you You make me feel so good I wish I was on the waves in the sea white caps break on my wet dream Why don't you come and play on white sheets we'll float away You make me feel so good I can't wait to be with you I just like the thing you do I wish I was in my room all alone I'd wait for you to come home Eye of blue I love blue I'm on the waves alone with you You make me feel so good you make me feel so good good
