

# Nevertheless

Boombox (Бумбокс)

She's got a place to go and place called home  
And everyone who knows her knows this  
Rather say it's really time to throw  
But love's not always bed of roses

Still in the hardest place for her to be  
She'd rather be, it's almost empty  
Look for the truth in ancient poetry  
Forever stories have no ending and

Nevertheless she's hopeless  
Always less happy than sad  
Forget your lonely loneliness  
And be glad, begging you be glad  
Nevertheless she's crying  
Tearing my all in two too  
Girl can't you see I'm trying  
Staying in love with you (yeah you)

She should've been more tough and have you off  
But she's too good, she never showed it  
And even when they wanna trap you up  
She smiles and fights, smiles and fights  
Still in the stillness place for hope to be  
You better be, it's almost empty  
No comedy without a tragedy  
And yet this story has no ending and

Nevertheless she's hopeless  
Always less happy than sad  
Forget your lonely loneliness  
And be glad, begging you be glad  
Nevertheless she's crying  
Tearing your all in two too  
Boy can't you see she's trying  
Staying in love with you (yeah you)  
Staying in love with you

I guess we're growing down  
I guess we're falling high  
Yes, we're growing down  
Yes, we're falling high  
Like they say, take my five and  
Better smile than cry

Nevertheless they're hopeless  
Always less happy than sad  
Forget your lonely loneliness  
And be glad, begging you be glad  
Nevertheless they're crying  
Tearing our all in two too  
Oh, can't you see we're trying  
Staying in love with you

Forget your lonely loneliness  
And better smile than cry
