

# Marry You

Boomdabash

I wanna marry you today  
Because tomorrow is gonna be too late  
Don't play with my heart rudebwoy  
Oh, that's what she told me...

E piuttosto che fare come lo fanno gli altri  
Io camminerei sul fuoco anche a piedi scalzi  
No non voglio farlo come gli altri  
Prima mi manchi, Dopu stanchi  
E come finirà si saprà solo più avanti  
Anche se finirà non saremo mai distanti  
Perchè sarò presente nei momenti più importanti  
Perchè sarai futuro quando guarderò davanti...  
Anche se tutti dicono che non è vero  
Non ti sposo mica per i dineros  
Anche se tutti dicono che non è vero  
Ti sposerò perchè come eros

I wanna marry you today  
Because tomorrow is gonna be too late  
Don't play with my heart rudebwoy  
Oh, that's what she told me  
I just wanna marry you today  
Because tomorrow is gonna be too late  
Don't play with my heart rudebwoy  
Oh, that's why she loves me...

Girl you are one in a million  
A gunshot into the heart  
When yuh home alone  
And waitin' just for get a phone call  
Yuh have the man dema pree  
Dem snitchin' so deep, all things separit  
Dem kyaan separate we...  
You look so good from your head to your feet  
Everymove you make is just a dancehall hit  
Bad things ah gwaan fi di gyal dem  
Weh dem see yuh come in  
Like a lioness remind dem  
Yuh ah numba one queen  
And the more that we live  
The more we get close  
The more we get far  
The more we're in love  
The more that we learn  
The more ther we grow, We'll live forever more...

I wanna marry you today  
Because tomorrow is gonna be too late  
Don't play with my heart rudebwoy  
Oh, that's what she told me  
I just wanna marry you today  
Because tomorrow is gonna be too late  
Don't play with my heart rudebwoy  
Oh, that's why she loves me...

Yes oh we dont care all the struggles in life

And the problems we find, We're coming back  
To the place that we meet...  
Come fanno gli altri o come fanno tanti  
Come fanno gli altri, Non fanno come noi  
Sempre meglio essere veri Si  
Che fare i finti santi... I problemi fanno l'uomo  
E la donna che hai davanti...

I wanna marry you today  
Because tomorrow is gonna be too late  
Don't play with my heart rudebwoy  
Oh, that's what she told me  
I just wanna marry you today  
Because tomorrow is gonna be too late  
Don't play with my heart rudebwoy  
Oh that's why she loves me  
I wanna marry you today  
Because tomorrow is gonna be too late  
Don't play with my heart rudebwoy  
Oh, that's what she told me  
I just wanna marry you today  
Because tomorrow is gonna be too late  
Don't play with my heart rudebwoy  
Oh that's why she loves me
