Gimme di fire

Marijuana bun in my head
Put your spliff in di air
Everyclub we go we light it
Runnin' pon di riddim again
Gimme di fire

Reggae music burning again
Put your gun in di air
Every club we go we light it
Runnin' pon di riddim again

See dem ah run

See dem ah hide

Give thanks to jesus

Big up every gangsta
Every thug and every hustler
Step up inna di club
Every gyal ah call we pussy murderer
Respect di music from the foundation
Cause it's a lesson for the youths and all the generation
We run di riddim
