

## She's Mine

Boombabash

Yeah, Oh yes oh yes oh yes  
O sine o sine  
She's mine  
Comu a tie nun ci nnai mai  
They just don't know, she's mine  
Sienti  
L'amore pe tie nu passa mai  
L'amore ca me dai nu mme basta mai  
They just don't know that she's mine  
I'll always be there babe girl by your side  
They just don't know that she's mine  
I'll always be there babe girl every day and every night  
Woman fi give me power strength every second of my time...  
Light up my life little more and i'll be blind  
But the man no want to trick we, we no make foolish lies  
Love is not material, its a blessing all inside  
Want u to be my wife...  
My princess the mother of my child  
No game no life...  
De norma lassa 'ntorna tie me tuerni an capu  
Chiu me manticchiu ccapiscu ca nu stai tantu pe sbafu  
Me piace comu sinti de mie nu tenne cire  
Stu core ca te ama sempre cu tie fallu enire  
E se lu tiempu e la distanza scrienu na storia  
Nui l'amu passate tutti e doi e pe mie è già na vittoria  
Sicurezza comu luce, rria e nu se stuta mai  
La certezza tengu ca ora mai nu ni lassamu chiui  
I want to know what i need to do what i really have to do  
To make u know my love is true  
What im gonna do to make your love say im loveing u  
The same way you i want to know that my heart is ur  
Thrown and my arms in ur arms ur the only one i belong  
Quannu sessu e amore sai se ponnu ncucchiare  
Ncigni sentere lu sale intra comu cu lu mare  
Tutta la vita te nne binchi te minti a cercare  
Quannu poi la ttrei nu tte la lassi scappare  
Percè lu core pulsa quannu sulu de coste iddha me camina  
Inchimene beddha te energia ca me da carica  
Intra te nna forza ca pe mie la rende unica  
Iou te dau nu nume pe mie sinti musica  
She's mine  
Yeah, she's mine
