Gyal the way you come closer to the ting
It's just professional
She tell me seh she waan me push her face
Right upon the wall
She waan fi tek it till she dead
Biggie run her head
24/7 bedroom crazyness

Girl your body is dangerous like a tsunami
Want you take me to the magic land of punnany
Pure style ah buss
When you workout your body
Want you start a journey to the land of punnany

Salentu chinu de punanny
Suntu daveru comu tsunami
Te la recuerdi quiddra dici quannu nchiani
Salentu punanny any
Camini stae chinu de bikini
An capu tie cu li filmini
E nu riesci mai cu cumbini
Percè la tieni mini mini
Allora nci minti la forza e la prepotenza e te mpappini
La fimmena pe dò fiate sente la violenza e tie continui quante
Una doi trede e mentre dai aumenti li danni
Quistu fannu certi masculi a fiate pe la punanny
All iniziu parenu ca suntu tsunami
E poi se bloccanu nanti na vera punanny
A quisti nu nteressa mancu comu te chiami
Ni basta cu respiri e cu tieni na punanny

Girl your body is dangerous like a tsunami
Want you take me to the magic land of punnany
Pure style ah buss
When you workout your body
Want you start a journey to the land of punnany
