

# Lonely Child

Boomkat

I feel like a only child  
Cause I am such a lonely child  
See I wander the nights alone  
Cause I don't want to ever go home alone

Where do you go when you know there's nobody at home to hold you?  
How would you feel?

I've been such a problem child  
My problems make it hard to smile  
I cause my mama so much grief  
I get on my knees  
Forgive me please

Where do you go when you know there's nobody at home to hold you?  
Alone  
Where do you go when you know there's nobody at home to hold you?  
How would you feel?

Do you notice when I'm not around?  
He's gon' blame from the lost and found  
I wander the nights alone  
Cause I'm no longer welcomed at home  
Alone

Where do you go when you know there's nobody at home to hold you?  
Alone  
Where do you go when you know there's nobody at home to hold you?

Hold you  
They don't know you  
They've out grown you  
So they scold you

I won't do  
What I'm supposed to  
No I won't do  
What I'm supposed to

And I won't do  
What I'm supposed to  
No I won't do  
What I'm supposed to

How does it feel?  
Where do you go when you know there's nobody at home to hold you?  
Alone  
Where do you go when you know there's nobody at home to hold you?  
How does it feel?  
How does it feel?  
How would you feel?
