

Sleep Stalker

Boondox

This is a cat (meow)
This is a horse (whinny)
A cow says (moo)

I hear them talking to me and the demons stalkin me running in
between my thoughts and dreams
I think they haunting me
Got me sweatin got me stressin
Wake up in the woods with a Smith and Wesson buck naked countin
blessins blood so close with
no confessions
I don't know what it is that's livin in my nightmares
I don't know what it is that's bringin all these night scares
All i knowin is what the fuck I got to lose when everything i'm
dreamin of end up on the
evenin news

I'm sleepin only sleepin I'm sleepin only sleepin
I don't wanna sleep I don't wanna dream I don't wanna hear the
suffering, I don't wanna hear
the screams
I'm only dreamin, I know I'm only dreamin
I don't wanna sleep I don't wanna dream I don't wanna hear the
suffering, I don't wanna hear
the screams

Last night i dreamt that i was standin by a streetlight
Bloody knuckles bloody nose was i in a street fight?
That's when i woke up body feelin broke up
Eyes glazed in a haze fucked up cuz i'm choked up
It's to a point that I don't even want to fall asleep every tim
eI close my eyes another
victim at my feet
It's getting hard to deal and hard to reckognize the real hard
to keep my sanity and hard to
say just how I feel

And I don't want to know why this chick is barely breathing beg
ging for her very life
scratching clawing kicking screaming
While I just stand there laughing while this bitch's life is pa
ssing
Rope around her throat I watch her choke for every breath she g
aspin
I watch her face and watch the tears pourin like rain
How'd I end up like this translated into fear and pain
So sick my stomach churnin in slow motion the world is turnin s
o sick mind of vermin knowing

that my soul is burning

I dont wanna sleep i can't even close my eyes

I don't wanna dream every night somebody dies

I don't wanna think what's the truth behind these lies?

I don't wanna hear the screams and I don't wanna hear the cries
